# BOUNDARIES

We set out our  
boundaries to make  
sure we know  
where to go to

# CHALLENGE – TREE MATHS

The height of a tree  
– find a straight stick  
– tip of your finger  
to your elbow. Line  
it up with your tree  
and the distance you  
have walked is the  
height of the tree

Experience Gullion!

Forest School Awards

# CHALLENGE – TREE MATHS

Age of tree –  
measure  
circumference in  
centimetres and  
divide by two –  
 $10\text{cm} = 5 \text{ years}$
